

Custom Coffee Paintings

To help the artist create the best representation please will you answer a few questions regarding the subject or subjects to be included in your custom coffee painting.

1. How many people will be included in the painting
2. Please give first name and if there is more than one person the relationship to each other.
3. What are their ages and heights?
4. It would be really helpful to know a little about their hobbies or special interests so the artist can get a feel for their personality. So this can be incorporated into your custom painting.

Pets:

Do you want any pets to be featured in the painting?

If so please indicate what kind of animal - breed and colour (a max of 3 pets)

Horses can be included in larger paintings i.e. 11x14 1 horse and max 2 people.

The more information you can supply the artist - the better your painting will be.

The artist will also need photographs of all the subject to be included in the painting.
